## **Purpose of the Camp**

The history and heritage of the Mississippi Gulf Coast extends back to the arrival of the French over 300 years ago. The Sea-n-Sail Adventure Camp is a day camp that is designed to bring about a greater awareness of our original history and maritime heritage through a variety of fun and educational activities. The camp is offered by the Maritime & Seafood Industry Museum of Biloxi, Inc., and is open to 6-12 year old students.

## **Camp Structure**

The Sea-n-Sail Adventure Camp consists of a week of activities. Seven sessions will be held during the summer. Daily activities will begin at **8:00** a.m. and end at **4:00** p.m. Monday- Thursday and **1:30** p.m. on Friday. Campers will be grouped according to age: 6-8 and 9-12 year olds. Camp staff for each group will include an instructor and two (2) teaching assistants who are CPR/First Aid certified.

## **Daily Activities**

All daily camp activities will originate at the museum located at 115 1<sup>st</sup> Street, Biloxi. Campers will be transported by bus to and from all fields of activity. Individual activities will range from one to four hours in duration. Camp activities include a variety of unique hands-on experiences which will make regional history and heritage come alive. The camp will begin with a welcome orientation on Monday morning. At this time, campers will meet staff members and be divided into groups. Campers must provide their own lunch and snacks. At times, lunch will be at a field trip or on board one of the schooners.

## **CAMP ATTIRE AND NECESSARY ITEMS:**

Dress during camp week is casual with shoes required. Rain gear and a change of clothes can be left at the museum, if desired. **We will not stop activities due to rain.** Soft soled shoes are required on sail days. Hats and sunscreen are very important items every day, as well as **a lunch and drinks**. All campers must be signed in AND signed out each day by a parent or guardian specified on Parental/ Guardian Permission Sheet.

## **The Glenn L. Swetman/The Mike Sekul**

All Sea-n-Sail Adventure Campers will take sailing trips aboard one of the Museum's famous replicas of the Biloxi Schooner. Age group 9-12 will take a full day trip to Horn Island through waters fished by Biloxi fisherman for over 200 years. Campers age 6-8 will visit Deer Island during one of their half day sails and learn about marine pollution. During the sail, campers will learn components of sailing a schooner, boating safety and rules of the road, and participate in many sailing activities. Lifejackets are required on all students.
